Advisory - the following lyrics contain explicit language:

We are young, we run free, keep our teeth nice and clean

See our friends, see the sights, feel alright

We wake up, we go out, smoke a fag, put it out

See our friends, see the sights, feel alrightAre we like you, I can't be sure?

Of the scene as she turns

We are strange in our worldsBut we are young, we get by, can't go mad, ain't got time

Sleep around, if we like but we're alright

Got some cash, bought some wheels, took it out, 'cross the fields

Lost control, hit a wall but we're alrightAre we like you, I can't be sure?

Of the scene, as she turns

We are strange in our worldsBut we are young, we run green, keep our teeth nice and clean

See our friends, see the sights, feel alrightAre we like you, I can't be sure?

Of the scene, as she turns

We are strange in our worldBut we are young, we run green, keep our teeth nice and clean

See our friends, see the sights, feel alright
