

I Love You

Yello

I love you I love you You know I need it to ride in your car
I know it's dangerous, you're going too far
I'm always with you wherever you go This is a sensual
The way you drive is just sensational I love you I hate to love you
Love you all the same
You know baby, driving is a serious game I love you
I know
I love you
I know You gonna get me a heart attack
Stop it, hold it
Hold it back I know it's dangerous, you're going too far
I'm always with you wherever you go I love you I love you I love you You know I need it to ride in your car
I'm always with you wherever you go This is a sensual
The way you drive is just sensational I love you I hate to love you
Love you all the same
You know baby, driving is a serious game I love you
I know
I love you
I know You gonna get me a heart attack
Stop it, hold it
Hold it back
