London

Cinerama

Smoke
Lingers 'round your fingers
Train
Heave on to EustonDo you think you've made
The right decision this time?You left
Your tired family grieving
You think
They're sad because you're leavingBut didn't you see the jealousy in the eyes
Of the ones who had to stay behind?
And do you think you've made
The right decision this time?Left
Your girlfriend on the platform
With this really ragged notion
That you'll [Incomprehensible]But she knows that when he goes
He really goesAnd do you think you've made
The right decision this time?
