## Cinerama

Smoke  
Lingers 'round your fingers  
Train  
Heave on to Euston Do you think you've made  
The right decision this time? You left  
Your tired family grieving  
You think  
They're sad because you're leaving But didn't you see the jealousy in the eyes  
Of the ones who had to stay behind?  
And do you think you've made  
The right decision this time? Left  
Your girlfriend on the platform  
With this really ragged notion  
That you'll [Incomprehensible] But she knows that when he goes  
He really goes And do you think you've made  
The right decision this time?
