

# Wrap Around

Keith Anderson

Oh yeah  
Ay, ay, ay, ay  
(Wrap around, wrap around)  
Ay, ay, ay, ay  
(Wrap around, wrap around)  
Ay, ay, ay, ay  
(Wrap around, wrap around)  
Ay, ay, ay, ay  
(Wrap around, wrap around) You should see her every mornin'  
In my faded flannel shirt  
Wearin' her big bear slippers  
She's so sexy that it hurts And when I take her to the city  
You should see her turnin' heads  
They never seen nothin' so pretty  
She can't help but knock 'em dead, yeah, yeah She got a kiss that burns me down  
She got a touch that makes me come unwound  
She got a smile that knocks me to the ground  
My baby got the kinda love a man can wrap around (Wrap around, wrap around)  
Ay, ay, ay, ay  
(Wrap around, wrap around) She's the perfect combination  
Of Ginger and Mary Anne  
And down home sophistication  
Ain't no lines in her tan, no Sometimes she likes to hear Sinatra  
A-sometimes ZZ top  
But if you drink the Cucaracha  
(Cucaracha)  
She'll dance until you, she'll dance until you drop She got a kiss that burns me down  
She got a touch that makes me come unwound  
She got a smile that knocks me to the ground  
My baby got the kinda love a man can wrap around, yeah No, I don't think God ever  
Never made anything better She got a kiss that burns me down  
She got a touch that makes me come unwound  
She got a smile that knock me to the ground  
My baby's got the kinda love She got a kiss that burns me down  
She got a touch that makes me come unwound  
She got a smile that knocks me to the ground  
My baby got the kinda love a man  
You know, my baby got the kinda love a man  
Yeah, my baby got the kinda love a man can wrap around Oh yow, wow, wow

Well wrap a-wrap around  
Ay, ay, ay, yow, yowWrap around, wrap around  
(Wrap around, wrap around)  
Wrap around, wrap around  
(Wrap around, wrap around)  
Well wrap around, wrap around  
(Wrap around, wrap around)  
Well wrap around, wrap around  
(Wrap around, wrap around)  
Yeah, yeahDo it  
(Wrap around, wrap around)  
Ay, ay, ay, ay  
(Wrap around, wrap around)  
(Wrap around, wrap around)  
Wrap around, wrap around  
(Wrap around, wrap around)(Wrap around, wrap around)  
(Wrap around, wrap around)
