

Blame It On the Rain

He Is We

You've got me caught in all this mess
I guess, we can blame it on the rain
My pain is knowing I can't have you,
I can't have you Tell me does she,
Look at you the way I do?
Try to understand the words you say or the way you move?
Does she get the same big rush
When you go in for a hug and your cheeks brush?
Tell me am i crazy, or is this more than a crush? I catch my breath, the one you took
The moment you entered the room
My heart it breaks at the thought of her,
Holding you Does she
Look at you the way i do?
Try to understand the words you say or the way you move?
Does she get the same big rush
When you go in for a hug and your cheeks brush?
Tell me am i crazy, or is this more than a crush? Maybe I'm alone in this,
But I find peace and solitude knowing
That if i had but just one kiss this whole room,
Would be glowing,
We'd be glowing
We'd be glowing Does she look at you the way I do?
Try to understand the words you say or the way you move?
Does she get the same big rush
When you go in for a hug and your cheeks brush?
Tell me am i crazy or is this more than a crush? Does she look at you the way I do?
Try to understand the words you say or the way you move?
Does she get the same big rush
When you go in for a hug and your cheeks brush?
Tell me am i crazy or is this more than a crush?
