

In Our Time (feat. Vanessa Carlton)

Deer Tick

(We're rollin') Back in the days
When we used to dance
You chuckle every time that I misstep
Now that we're older
And our hairs get grey
You never cut me slack for my mistakes
You know I never meant to sink to such depths
Why would I jeopardize what we built behind that fence?
Stay with me baby when you can
It's a pain to see but I'm still your man
Back in our time
Before the children
We were all the envy of our friends
Then we were blessed
Three little babies
Whatever broke we built it up again
You know I never meant to sink to the bottom
Why would I jeopardize what I built as a father?
Stay with me on some lost weekend
It's a pain to see but our hearts we can mend
Back in the days
When we used to dance
You'd chuckle every time that I misstep
Now that we're older
And our hairs get grey
You never cut me slack for my mistakes
You know I never meant to sink to such depths
Why would I jeopardize what we built behind that fence?
Stay with me baby when you can
It's a pain to see but you're still my man
It's a pain to see but I'm still your man
