

Low Down Dirty

Lynyrd Skynyrd

It said 3:30 on my watch
Big show don't start 'till 9:00
Thought a cold one sure would hit the spot
She started pouring shots
It was only me and her in there
"Let's get outta here"
Might lose my job but I don't care
Come along if you dare
Lay down my tailgate
Hey boy what'chu say?!
Do a little day drinkin'
A little bit of love makin'
A whole lot of world shakin'
Then we'll do it again
Do it again
Start from the sun shinin'
Go until the stars light up the sky
Boy don't you leave me hangin'
'Cause it's never too late
To get down and dirty!
Low down and dirty
I turned up her radio
She started dancin' real slow
Like she was puttin' on a show
Three hours left to rock and roll
Wet sweat was pourin' off her skin
Her body made me wanna sin
Right then my buzz was kickin' in
She had a devil's grin
And then her boss drove by
She flipped them the bird
She looked me in the eye and said
You give me the urge!
To do a little day drinkin'
A little bit of love makin'
A whole lot of world shakin'
Then we'll do it again
Do it again
Start from the sun shinin'

Go until the stars light up the sky
Boy don't you leave me hangin'
 'Cause it's never too late
 To get down and dirty!
 Low down and dirty!
 Do a little day drinkin'
A little bit of love makin'
 Do a little day drinkin'
A little bit of love makin'
A whole lot of world shakin'
 Then we'll do it again
 Do it again
 Start from the sun shinin'
Go until the stars light up the sky
Boy don't you leave me hangin'
 'Cause it's never too late
 To get down and dirty!
