

# I Wanna Be

## Avant

Ooh, ooh hoo, I wanna be, girl, let me be  
I wanna be everything your man's not  
And I'm gonna give you every little thing I've got  
'Cause you are more than a man needs  
That's why I say you're truly my destiny I'm gonna getcha if it takes me until forever  
No, you don't feel me, if forever turns into never  
I'll let you know my love is just as strong  
And for you never just ain't that long, ohh I wanna be the smile you put on your face  
(Oh, yes)  
I wanna be your hands when you say your grace  
(Say it, baby)  
I wanna be whatever is your favorite place  
(Girl)  
Oh, I just wanna be close  
(Close to you) I wanna be the hat you put on your head  
(Can I be?)  
I wanna be the sheets you put on your bed  
(Your everything, ya)  
I wanna be the skirt wrapped around your legs  
(Girl)  
Oh, I just wanna be close  
(I said I wanna be) And even if the day turns into night  
I will love you by candlelight  
And even if the water starts to run over  
I'll be there to put you on my shoulders  
(Ooh, yeah) And if it's hard for you to get to sleep  
I will sing you a melody  
(Yes, I will)  
I wanna feel this way till the end of time  
'Cause I pray one day that you will be mine I wanna be the smile you put on your face  
(Your smile)  
I wanna be your hands  
When you say your grace  
(Can I be, girl? Can I be?)  
I wanna be whatever is your favorite place, oh  
(Close to you, babe)  
I just wanna be close I wanna be the hat you put on your head  
(Can I cover you?)  
I wanna be the sheets you put on your bed

(Can I wrap my love around you?)  
I wanna be the skirt wrapped around your legs  
(Yeah, yeah, yeah)  
Oh, I just wanna be close  
(I wanna be close) See my life's filled with up and downs  
(My life's filled)  
(Up and downs)  
I'm okay when you're around  
(I'm okay)  
(Yeah)  
And when I'm in a storm and my nights are cold  
(In a storm)  
Reach out your hands for me to hold  
(Out your hands)  
(For me to hold) See you're my queen on a throne  
(My queen)  
(Yeah)  
And you're the reason for a song  
(This song)  
And I can't wait  
(Can't wait)  
To fill you up with love  
(Fill you up with love)  
Fill you with love I wanna be the sun your stars and your moon  
I wanna be a hot summer day in June  
I wanna be the smell of your sweet perfume  
I just wanna be close I wanna be the seed that bare ya life brand new  
I wanna be the one that's so faithful and true  
I wanna be the man down that aisle in that suit, yeah  
I just wanna be close I wanna be the sun your stars and your moon  
I wanna be a hot summer day in June  
I wanna be the smell of your sweet perfume, yeah  
I just wanna be close I wanna be the seed that bare ya life brand new  
I wanna be the one that's so faithful and true  
I wanna be the man down that aisle in that suit, yeah  
I just wanna be close I wanna be the sun your stars and your moon  
I wanna be a hot summer day in June  
I wanna be the smell of your sweet perfume, yeah  
I just wanna be close I wanna be the seed that bare ya life brand new  
I wanna be the one that's so faithful and true  
I wanna be the man down that aisle in that suit, yeah  
I just wanna be close I just wanna be close
