

holocaust (alex chilton)

Placebo

Your eyes are almost dead
Can't get out of bed
And you can't sleep You're sitting down to dress
And you're a mess
You look in the mirror You look in your eyes
Then you realize Everybody goes, leaving those
Who fall behind
Everybody goes as far as they can
They don't just care They stood on the stairs
Laughing at your airs Your mother's dead
She said, "Don't be afraid"
Your mother's dead
You're on your own, she's in her bed Everybody goes, leaving those
Who fall behind
Everybody goes as far as they can
They don't just care You're a wasted face
You're a sad eyed lie
You're a holocaust
