

Be Nice to Me

Todd Rundgren

No catch, no strings
None of the usual things
I'm happy just to lay and lookLet's throw out the book
Now we're off the hook
And please just be nice to me
Won't you be nice to me, nice to meSo tired so sad
So sick of being had
By everyone who comes alongWould it be so wrong
If you played along
And please just be nice to meAnd would it bring you down
If I hang around
Just be nice to me
It's been a long, long time
Since I felt so fineAnd I know your love is fine
I know what's on your mind
But don't laugh, don't cry
Don't make me wonder why
You're doing what you're doing nowCan't you see somehow
It's the wrong time now
So please just be nice to meBe nice to me
It's been a long, long time
Since I felt so fineJust be nice to me
I know I ain't in heat
And it would feel real neat
