

# Ex-Miss (Atticus Dragging the Lake)

## New Found Glory

Everything that could have went wrong, went wrong this year  
Nothing recently has made me want to stand up and cheer  
Everything you haven't said has finally come back to you Now, it's not the time, now it's not the time  
I know, you never liked any gifts I gave to you This holiday is overrated  
It turns out the way I expected  
This holiday is one to forget  
Another year, this time I'll regret  
That I spent too much time and money on you Why do I only remember the bad times we had?  
I guess everything we do does reflect  
Everything you wish, you said, has finally come back to you Now, it's not the time, no, no it's not the time  
I know, you never liked any gifts I gave to you This holiday is overrated  
It turns out the way I expected  
This holiday is one to forget  
Another year, this time I'll regret  
That I spent too much time and money on you This holiday is overrated  
It turns out the way I expected  
This holiday is one to forget  
Another year, not another year This holiday is overrated  
It turns out the way I expected  
This holiday is one to forget  
Another year, no, not another year  
I hope you spend it alone
