Borderline (Dennis Christopher's Vocal Mix)

Michael Gray

It's gonna be another lonely night
One more and I'm gonna die
Wired out, waiting for the sign
'Cause you're a risk, and I'm borderlineAll I know is I've been sitting with this fire and it burns inside
Man, if you want me to walk your line, then don't stop at eight
No, lets take it
To the nines
I know that we should lay out and love
Because, man, I really need it
To the nines
I may be full but it's not enough
Come and show me how to feel itAll or nothing
You know that's how I play the game, and I'm ready now
Man, if you want me, come cross the line and
Slide up to eight, then let's take it
To the ninesOh yeah, I'm ready now
Wrap 'round
Oh, can you feel it now?
Melt down
