

Stripped (Intro)

Christina Aguilera

Yo
Woo, oooSorry, if I'm perfect
Sorry, I don't give a
(What)
Sorry, I ain't a diva
Sorry, just know what I want
Sorry, I'm not a virgin
Sorry, I'm not a slut
(Ohh)
I won't let you break me
Think what you want
(Ohh, aaa, ohh)To all my dreamers out there
I'm with you
To all my underdogs
Haa, I feel you
Lift your head high
And stay strong
Keep pushin' on
Aah
