Moonlight On Water

Laura Branigan

Advisory - the following lyrics contain explicit language:

What's going on down on the planet?
What's going on inside your pretty head?
What's life without a Mercedes
And the need to feel adrenaline rush?Is it better than moonlight on water
Is it better than sex on the beach
Think about us riding wild horses
Think about us, it's not out of reachI'm here for you, no matter where you go, no matter what you do
I'm here for you when there's a lonely night, who can you hold on to
I'm here for you, want you in my arms uncomplicated
I am for you, I amWho's gonna be the competition?
Who's next in line for promotion, baby?
Everyday the real world is fading
Spinning out on the wheel of fortune butIs it better than moonlight on water
Is it better than sex on the beach
Think about us riding wild horses
Think about us, it's not out of reach, babeI'm here for you, no matter where you go, no matter what you do
I'm here for you when there's a lonely night, who can you hold on to
I'm here for you, want you in my arms uncomplicated
I am for you, I amYou've been working so hard, don't you know it, baby
You don't understand what I want from you
Instead of dreamin' 'bout all that money
We got such simpler things to doLike moonlight on water
Like sex on the beach
Think about us riding wild horses
Think about us, it's not out of reach, babeI'm here for you, no matter where you go, no matter what you do
I'm here for you when there's a lonely night, who can you hold on to
I'm here for you, want you in my arms uncomplicated
I am for you, I am but don't you worry 'bout the wrong things
