

How Deeply I Need You

Shekinah Glory Ministry

Here is my Heart I give it Lord to you
and here is my life I lay it here for you
wherelse would i go and whatelse would i do
 If i did not know you
 How deeply I need you
 my Lord
 Oh how deeply in need you my lord

 Like the dessert needs the rain
 I need you
 Like the ocean needs the stream
 I need you
 Like the morning needs the sun
 I need you
 Lord you are the only one
