

Comes a Time

Neil Young

Comes a time when you're driftin'
Comes a time when you settle down
Comes a light feelin's liftin'
Lift that baby right up off the ground Ohh, this old world keeps spinning round
It's a wonder tall trees ain't layin' down
There comes a time You and I, we were captured
We took our souls and we flew away
We were right, we were giving
And that's how we kept what we gave away Ohh, this old world keeps spinning round
It's a wonder tall trees ain't layin' down
There comes a time Ohh, this old world keeps spinning round
It's a wonder tall trees ain't layin' down
There comes a time, there comes a time
There comes a time, there comes a time Comes a time
Comes a time
Comes a time
