Comes a Time

Neil Young

Comes a time when you're driftin' Comes a time when you settle down Comes a light feelin's liftin' Lift that baby right up off the groundOhh, this old world keeps spinning round It's a wonder tall trees ain't layin' down There comes a timeYou and I, we were captured We took our souls and we flew away We were right, we were giving And that's how we kept what we gave awayOhh, this old world keeps spinning round It's a wonder tall trees ain't layin' down There comes a timeOhh, this old world keeps spinning round It's a wonder tall trees ain't layin' down There comes a time, there comes a time There comes a time, there comes a timeComes a time Comes a time Comes a time
