

Homosapien

A1 People

I'm the shy boy, you're the coy boy
And you know we're Homosapien too
I'm the cruiser, you're the loser
Me and you sir, Homosapien tooHomosuperior in my interior
But from the skin out
I'm Homosapien too
And you're Homosapien tooAnd I'm Homosapien like you
And we're Homosapien tooAnd I think of your eyes in the dark
And I see the star
And I look to the light
And I might wonder right where you areAll the Gods in the sky, way up high
See the world spinning 'round
But the sun and the moon
And the stars are so far from the groundI'm the shy boy, you're the coy boy
And you know we're Homosapien too
I'm the cruiser, you're the loser
Me and you sir, Homosapien tooHomosuperior in my interior
But from the skin out
I'm Homosapien too
And you're Homosapien tooAnd I'm Homosapien like you
And we're Homosapien tooAnd the worlds built of age are a stage
Where we act out our lives
And the words in the script seem to fit
'Cept we have some surpriseI just want this to last
Or my future is past and all gone
And if this is the case
Then I'll lose in life's race from now onHomosuperior in my interior
But from the skin out
I'm Homosapien too
And you're Homosapien tooAnd I'm Homosapien like you
And we're Homosapien tooAnd I just hope and pray
That the day of our love is at hand
You and I, me and you
We will be one from two, understand?And the world is so wrong
That I hope that we'll be strong enough
For we are on our own
And the only thing known is our loveI don't wanna classify you
Like an animal in the zoo
But it seems good to me to know

That you're Homosapien too I'm the shy boy, you're the coy boy I don't wanna classify you

Like an animal in the zoo

But it seems good to me to know

That you're Homosapien too I don't wanna classify you

Like an animal in the zoo

But it seems good to me to know

That you're Homosapien too I don't wanna classify you

Like an animal in the zoo

But it seems good to me to know

That you're Homosapien too
