

# Get The Horn

## Skullflower

I'm packin' and I'm bad and I'm a rock machine  
Joke crackin' and you're had - know what I mean I got loose and I'm gettin' it  
Gotta schmooze without wettin' it  
It's cruise and I'm hittin' it Don't mess with the bull  
You gonna get the horn  
coz I've been tilitin' it full  
You gonna get the horn Candyass hairboy out to get me it's the year of payin' back  
Shit scene and I'm incorrectly cuttin' you a yard of slack Got the flag and I'm wavin' it  
You're a hag but I'm cravin' it  
Got the bag but I'm savin' it Don't mess with the bull  
You gonna get the horn
