Fly Away

Linda Perry

Woman, how do you feel?
It looks like your gonna cry,
Is everything alright?
Are your days
Dropping you in a hole
No signals no signs
No reasons or rhymes
And just when you thought you'd be down on your knees
I'll say baby come with me please
And we'll just
Fly away
Fly away
Don't you need to get higher
Baby baby baby
I wanna get close to you
But I'm so afraid
Honey, I'm so afraid
That one day you'll wake up and realize your wasting time, your sweet time
When I pick up the phone
You're not alone
And there I'll be standing wondering what's wrong
I'll say oh baby take me along
And we will
Fly away
Fly away
Don't you need to get higher
No no no no
I don't know how you feel
Talk to me baby
Come with me baby
Come with me baby
And we will
Fly away
Fly away
Yes we need to get higher
