

Can't Wait

[Alan Semerdjian](#)

I can't wait for the day
When my words stop being weapons this way
I can't wait for the day
I'll cast these busted habits away
I can't wait for the day
My mouth will have something to say

I can't wait for a time
When I won't be relying on rhyme
I can't wait for the cake
That celebrates our different mistakes
I can't wait most every day
All the time
La dee da

I can't wait for a sign
That I can make it better next time
I can't wait every night
For the sweet sweet hummin', birth of your light

I can't wait for a break
And I can say I'm finally away
I can't wait
I can't wait
And I can say I'm finally away
I'm away
I'm away
I'm away
