

# The Chase

## Family

The Chase Ahh... ahh... ahhhh What is it now, there's something I see in your face  
Feel like a fox, hounds close at heels at the chase  
Do I see blood in your eyes, babe?  
Is it the end of the race? Ahh... ahh... ahhhh Hunted me out, sapped me of strength and of will  
Showered affections, baited me, loved me until  
My defences and cautions were gone, babe  
And you did it just for the thrill Ahh... ahh... ahhhh  
Tally-ho! Tally-ho!
