Bison Diaries

Emmure

This place shall become your grave.
Behold my psycho power.
Cleanse myself of guilt and doubt.
I'll put you straight into the ground!
I'm no demon. I am a god.
Bow to my feet.
Succumb to me, or you will face defeat.
My psycho power.
I am the heartless one. Dictator I've become.
Leader of chosen few.
You are not worthy of Shadaloo.

You have no choice coming with me.
I know your pain and misery.
Give allegiance to Shadaloo, or I am through with you.

My legacy will never stop because I can't be killed. I am a god.
Vega the fallen one.
