

Love Ain't Here Anymore

Take That

Oh yeah baby, don't you want me to go
So honey, why don't you beg me to stay
For love and talk the way we used to talk
Till we both know what we've lost
Never say the words we did before
Soon it was over Love ain't here anymore
No no, love ain't here anymore
It's gone away, to a town called Yesterday
Love ain't here anymore Listen, oh listen, I don't wanna let go
So maybe, we can change the way we feel
For love, and open up the way we did before
Now is the right time and I'm sure
You'd never say the words you did before
When it was over Love ain't here anymore
No no, love ain't here anymore
It's gone away, to a town called Yesterday
Love don't live here anymore, no no no And when I find a place for me to keep my sweet love
Then I will leave it there forever more, yeah
And when I find someone to share, I'll never give up
I will hold you and believe that this life leads to more, yeah
No no no no no no, when it was over Love ain't here anymore
Love ain't here anymore
It's gone away
It's gone away, to a town called Yesterday
Don't you beg me to stay, no no no
Don't you want, don't you want
You say you don't want me to go
