

# Sing Our Own Song

UB40

The great flood of tears that we've cried  
For our brothers and sisters who've died  
Over four hundred years has washed away our fears  
And strengthened our pride, now we turn back the tide  
We will no longer hear your command  
We will seize the control from your hand  
We will fan the flame of our anger and pain  
And you'll feel the shame for what you do in God's name  
We will fight for the right to be free  
And we will build our own society  
And we will sing, we will sing  
We will sing our own song  
When the ancient drum rhythms ring  
The voice of our forefathers sings  
Forward Africa run our day of freedom has come  
For me and for you Amandla Awethu  
We will fight for the right to be free  
And we will build our own society  
And we will sing, we will sing  
We will sing our own song  
And we will fight for the right to be free  
We will build our own society  
We will sing, we will sing  
We will sing our own song  
And we will fight for the right to be free  
And we will build our own society  
And we will sing, we will sing  
We will sing our own song  
And we will fight for the right to be free  
And we will build our own society  
And we will sing, we will sing  
We will sing our own song  
And we will fight for the right to be free  
And we will build our own society  
And we will sing, we will sing  
We will sing our own song  
And we will fight for the right to be free  
And we will build our own society
