Ambiantz

Skinny Puppy

A politician, a worm in a fist and a wish of admision
You were dickin' semination
In your words you're vile nation
This oil tug of war of promptness taking back(hollow point?)
There's nothing you peek undecided
Watching you as you talk burnedAmbiantz (given me a house too?)
Ambiantz (show you beam house?)
Ambiantz given up hope
Ambiantz giving up the bum of you seatCheeks burning, upon my breath is turning, your voice in my mind
Take what you can find on beeper
You wake up feeling blind
There all over the back of your employee
Ah my is my M.O
Our side your time this will be how
Ambiantz (given me a house too?)
Ambiantz (show you beam house?)Your game gets up too dark hear up
(Team nine in throw team number see?)Give a spot on the back of a shark
Give a spot on my back of your back
Give a spot of my back on your head
Give the shark your brains outUntil a tester
Until a tester desease a leprosy, desease a leprosy
Take what you want, shake what you can
Beepers, you wake up beeping
Ambiantz (given me a house too?)
Ambiantz (show you beam house?)
Ambiantz given up hope
Ambiantz giving up the bum of you seat
Ambiantz (given me a house too?)Ambiatnz Love is faces_____
