

# Last Night When We Were Young

Frank Sinatra

Last night when we were young  
Love was a star, a song unsung  
Life was so new, so real, so bright  
Ages ago, last night Today, the world is old  
You flew away  
And the time grew cold  
Where is that star  
That shone so bright  
Ages ago, last night To think that spring had depended  
On merely this, a look, a kiss  
To think that something so splendid  
Could slip away in one little daybreak So now lets reminisce  
And recollect the sighs and the kisses  
The arms that clung  
When we were young last night
