

# Why Not

Hilary Duff

Ah ah ah ah ah ah (Why not) You act like you don't know me  
When you see me on the street  
Making like I turn you off  
When I know you think I'm sweet It don't have to be like that  
I guess you're insecure  
If you say what's on your mind  
I'm an in for sure So I walk a little slower  
And I try to catch your eye  
Sometimes it's so hard to see  
The good things passing by  
There may never be a sign  
No flashing neon lights  
Telling you to make your move  
Or when the time is right, so Why not (why not)  
Take a crazy chance  
Why not (why not)  
Do a crazy dance  
If you lose the moment  
You might lose a lot  
So, why not, why not Why not take a crazy chance?  
Why not take a crazy chance? You always dress in yellow  
When you want to dress in gold  
Instead of listening to your heart  
You do just what you're told  
You keep waiting where you are  
But what you'll never know  
Let's just get into your car  
And go baby go, so Why not (why not)  
Take a crazy chance  
Why not (why not)  
Do a crazy dance  
If you lose the moment  
You might lose a lot  
So, why not, why not Oh, I could be the one for you  
Oh ya, maybe yes, maybe no  
Oh, it could be the thing to do  
What I'm saying is you gotta let me know, oh Ah ah ah ah ah ah ah  
Ah ah ah ah ah ah ah You'll never get to heaven  
Or even to L.A.

If you don't believe there's a way Why not (why not)  
Take a star from the sky  
Why not (why not)  
Spread your wings and fly It might take a little  
And it might take a lot  
But, why not, why not Why not (take a crazy chance)  
Take a crazy chance  
Why not (do a crazy dance)  
Do a crazy dance If you lose the moment  
You might lose a lot  
So, why not, why not
