Good Time

Paris Hilton

[Intro]
Oh I love it[Hook]
Are you having a good time
Cause I'm having a good time
And I might be a bit tipsy
But that's okay 'cause you're with meAre you having a good time
Cause I'm having a good time
And I might be a bit tipsy
But that's okay 'cause you're with me[Beat Break]I came here just to party
Oh please don't you hate on me, yeah
Got my sexy girls with me
Oh, I love it[Hook #2]
Wo-oh, let's party
Yeah, let's party, and have a good time
Wo-oh, let's party
Yeah, let's party, and have a good time[Beat Break]There go the paparazzi
I really don't give a f*ck, who got in my way
'Cause I came to party rock
Good times are here, and you know they're here to stay
If you're not here to party, move and get out of the way[Hook #2]
Wo-oh, let's party
Yeah, let's party, and have a good time
Wo-oh, let's party
Yeah, let's party, and have a good time[Hook #1]
Are you having a good time
Cause I'm having a good time
And I might be a bit tipsy
But that's okay 'cause you're with me[Lil' Wayne]
I'm f*cked up, I can't tell you what's what
All she know is how to f*ck
I walked up to a big butt, and ask her ass 'bout what
Tunechi never slacks without a button up
I roll the dice and love up
I'm all in, I'm all in
More money more problems,
more money will solve them
It's YMCMB b*tch
Paris, do you speak french?
I get special treatment

Girl turn over, good defenseWe turned down for what
Tomorrow isn't promised
Tonight is all we got
And times like these are timeless
She f*cked me like she love me
Love is such a science, do you think it's love?
Thanks for not replying
It's Paris Hilton, b*tchLick it, lock it, it's the last day to party
Don't just, don't stop moving
'Cause we're having a good time, having a good time[Hook #1]
Are you having a good time
Cause I'm having a good time
And I might be a bit tipsy
But that's okay 'cause you're with me
