Good Beat

Deee-Lite

Depending on you see a thing
The ship is free or is it sinking?
Depending on how you see it
You cage your mind or you free it
Depending on how you see the times
The world divides or it closely bindsBut I just wanna hear a good beat
I just wanna, I just wanna
But I just wanna hear a good beat
I just wanna hear a good beat, oohDepending on you see a thing
The ship is free or is it sinking?
Depending on how you see it
The song is over or you keep it
Depending on how you see the times
Were wasting time or in a moving lineBut I just wanna hear a good beat
Oh oh, oh ah
I just wanna hear a good beat
Just piano and bassEverything will be alright
When you feel it tonight
Zu zu zu, wah zu wah
I just wanna hear a good beat
