I Like It Like That

Hot Chelle Rae

Let's get it on, yeah you can come along,
everybody drinks on me, bought out the bar,
just, to feel like I'm a star,
now I'm thankin' the academy.
Missed my ride home, lost my iPhone,
I wouldn't have it any other way,
If you're with me let me hear you say!
I like it like that, hey, windows down,
chillin' with the radio on,
I like it like that, damn, sun so hot,
make the girls take it all off,
I like it like that, Yeah,
one more time, I can never get enough,
Oh everybody, sing it right back,
I like it like that!
I like it like that
Until the break of dawn, yeah,
party on my lawn, whistle as the girls walk by
If the cops roll up, (So what?) pour the cops a cup,
Cuz everybody's here tonight,
call a taxi, pack the backseat,
I wouldn't have it any other way,
If you're with me let me hear you say,
I like it like that, hey, windows down,
chillin' with the radio on,
I like it like that, damn, sun so hot,
make the girls take it all off,
I like it like that, Yeah,
one more time, I can never get enough,
Oh everybody, sing it right back,
I like it like that!
like it like that! Hey, windows down,
chillin' with the radio on,
I like it like that, damn, sun so hot,
make the girls take it all off,
I like it like that, Yeah,
one more time, I can never get enough,
Oh everybody, sing it right back,
I like it like that!

I LIKE IT LIKE THAT!
