

# All-O-Gistics

## Descendents

Thou shalt not commit laundry

Thou shalt not create ties with the scathed  
Thou shalt not covet thy neighbor's food  
Thou shalt always go for  
greatness

Thou shalt not partake of Decaf  
Thou shalt not commit adulthood  
Thou shalt not suppress flatulence  
Thou shalt  
not have no idea

Thou shalt commit thyself to an institution  
Thou shalt not commit hygiene  
Thou shalt not take the van's name in  
vain

Thou shalt not allow anything to deter you in your quest for all
