

# Show Me The Way

[Aaron Neville](#)

I can hear the bells are ringing  
I can hear the angels singing  
My darling has left me  
Whoa, somebody please help me  
Cause I need someone to show me the way Whoa, I can hear the people say  
As I kneel and start to pray  
His darling has left him  
Whoa I want to tell you, somebody, somebody, help him  
'cause he needs someone to show him the way, whoa For at night when I think of you dear  
At all times, all through the day  
Why don't you come on, come on, come on darling  
'cause I need a someone to show, show me the way But how can I hear the bells ringing  
Whoa I wanna tell you that I can hear, that I can hear the angels singing  
My darling has left me, whoa I wanna get somebody, somebody help me  
Cause I need someone to show me the way
