

I Want You Back

Sonos

I want you back, baby, come back to me
I want you back, baby, come back to me
I want you back, baby, come back to me
I want you back, baby, come back to me

Da, dun, da, dun, da, dut
Daa, dun, da, dun, da, dut
Da, dun, da, dun, da, dut
Daa, dun, da, dun, da, da, da, dut
Da, dun, da, dun, da, dut
Daa, dun, da, dun, da, dut
Da, dun, da, dun, da, dut
Daa, dun, da, dun, da, da, da, dut

When I had you to myself
I didn't want you around
Those pretty faces always made you
Stand out in a crowd

Someone picked you from the bunch
One glance was all it took
Now it's much too late for me
To take a second look

Oh baby, give me one more chance
(One more chance)
Won't you take me, please
Back in your heart?

Oh darlin', I was blind to let you go
But now that I see you in his arms
Ooh, ooh, ooh
Ooh, ooh, ooh

I want you back
Tryin' to live without your love
Was one long, sleepless night
Let me show you, girl
That I know wrong from right
Every street you walk on

I leave tear stains on the ground
Following the girl
I didn't even want around
Oh baby, give me one more chance
Won't you take me, please

Back in your heart?
Oh darlin', I was blind to let you go
But now that I see you in his arms
I want you back, I want, oh, baby come back to me
I want you back, I want you back, baby come back to me
I want you back, I want you back, baby come back to me
I want you back, I want you back, oh baby come back to me
I want you back, I want you back, baby come back to me
I want you back, I want you back, oh baby come back to me
Oh baby, give me one more chance
Won't you take me please
Back in your heart
Oh darlin', I was blind to let you go
But now that I see you
Duh, dun, duh, dun, duh, dut
Duh, dun, duh, dun, duh, dut
Duh, dun, duh, dun, duh, dut
Duh, dun, duh, dun, duh, dut
Duh, dun, duh, dun, duh, dut
Duh, dun, duh, dun, duh, dut
Duh, dun, duh, dun, duh, dut
Duh, dun, duh, dun, duh, dut
Duh, dun, duh, dun, duh, dut
