Simply the Best

Simply Saxophone

I call you when I need you, my heart's on fire
You come to me, come to me wild and wild
When you come to me give me everything I needGive me a lifetime of promises and a world of dreams
Speak a language of love like you know what it means
And it can't be wrong, take my heart and make it strong, babyYou're simply the best, better than all the rest
Better than anyone, anyone I've ever met
I'm stuck on your heart and hang on every word you say
Tear us apart, baby, I would rather be deadIn your heart I see the star of every night and every day
In your eyes I get lost, I get washed away
Just as long as I'm here in your arms, I could be in no better placeYou're simply the best, better than all the rest
Better than anyone, anyone I've ever met
I'm stuck on your heart and hang on every word you say
Tear us apart, baby, I would rather be deadEach time you leave me I start losing control
You're walking away with my heart and my soul
I can feel you even when I'm alone, oh baby, don't let go
