

Weight Of It All

Matt Nathanson

I'm weak when you miss me
When you roll me on your tongue
When you whisper me your best moves
I almost believe you
But you don't know me at all

I'm covered by lovers
Who recite lines
Convinced that their bodies
Are gonna save mine
But you don't know me at all

Show me where the sun comes through the sky
I'll show you where the rain gets in
And I'll show you hurricanes
And the way that summer fades
Underneath the weight of it all

I spend days stupid
Nailed to your floor
And I spent nights pushed against you
Trying to keep warm
But you don't know me at all

Show me where the sun comes through the sky
I'll show you where the rain gets in
And I'll show you hurricanes
And the way that summer fades
Underneath the weight of it all
