

Out of Place

Gavin Thorpe

You'll be coming home soon
I know you're out of place
you'll knock on my door soon
I just need to see your face[CHORUS]
Ohhh, my heart is like a speeding train
Ohhh, my love, when I can fill your pain
Ohhh, I my Lord, yeah I prayed for you
Because I miss you
I am out of place, I am out of placeYou'll be coming around soon
Its just not been the same
Is there something I can do for you
Have you got a soul to save?[CHORUS][CHORUS]Because I miss you
I am out of place
Ohhh, Because I miss you
I am out of place, I am out of placeYou'll be coming home soon
