One Boy

Herbert

One Boy, one special boy. One boy to go with, to talk with, and walk with. One boy, that's the way it should be.
(spoken) "that's the way it should be".
One boy, one certain boy. One boy to laugh with, to joke with, have coke with. One boy, not two or three.
One day, you'll find out, this is what life is all about. You need someone who, is living just for you.
One boy, one steady boy. One boy to be with, forever and ever. One boy, that's the way it should be
