

True Colors

[Sarina Paris](#)

You with the sad eyes
Don't be discouraged
Though I realize
It's hard to take courage In a world full of people
You can lose sight of it all
When the darkness inside of you
Makes you feel so small When I see your true colors shining through
I see your true colors and that's why I love you
So, don't be afraid to let them show
Your true colors, true colors beautiful like a rainbow Show me your smile
And don't be unhappy
Can't remember when
I last saw you laughing If this world makes you crazy
And you've taken all you can bear
Just call me
Because you know I'll be there When I see your true colors shining through
I see your true colors and that's why I love you
So, don't be afraid to let them show
Your true colors, true colors beautiful like a rainbow If this world makes you crazy
And you've taken all you can bear
Just call me
Because you know I'll be there When I see your true colors shining through
I see your true colors and that's why I love you
So, don't be afraid to let them show
Your true colors, true colors, true colors shining through I see your true colors and that's why I love you
So, don't be afraid to let them show
Your true colors, true colors beautiful like a rainbow
