True Colors

Sarina Paris

You with the sad eyes Don't be discouraged Though I realize

It's hard to take courageIn a world full of people

You can lose sight of it all

When the darkness inside of you

Makes you feel so smallWhen I see your true colors shining through

I see your true colors and that's why I love you

So, don't be afraid to let them show

Your true colors, true colors beautiful like a rainbowShow me your smile

And don't be unhappy

Can't remember when

I last saw you laughingIf this world makes you crazy

And you've taken all you can bear

Just call me

Because you know I'll be thereWhen I see your true colors shining through

I see your true colors and that's why I love you

So, don't be afraid to let them show

Your true colors, true colors beautiful like a rainbowIf this world makes you crazy

And you've taken all you can bear

Just call me

Because you know I'll be thereWhen I see your true colors shining through

I see your true colors and that's why I love you

So, don't be afraid to let them show

Your true colors, true colors, true colors shining through I see your true colors and that's why I love you

So, don't be afraid to let them show

Your true colors, true colors beautiful like a rainbow
