

Lady Fantasy: Encounter/Smiles for You/Lady Fantas

Camel

well listen very carefully my words are about to unfold
concerning a lady I've seen but I never could hold
I can see by your smile
it'll take a long while
for the words to come through
and see that they're true
of course she reminds me of you
Don't misunderstand me it's not always easy to say
the words in your head and your heart that you just can't explain
oh I can see clearly facing the sky
the moods in your eye keep passing me by
tell me the reason why
oh I can see clearly facing the sky
the moods in your eye keep passing me by
Saw you riding on a mooncloud
saw you walking on a whirlpool
from the corner of my eye
I saw you
Saw you sitting on a sunbeam
in the middle of my day dream
oh my lady fantasy
I love you
