Radio

Lana Del Rey

Not even rain and stormy nights
Boy I'd be flying overhead
Your heavy words can't bring me down
Boy I've been raised from the dead...

No one even knows how hard life was
I don't even think about it now because
I've finally found you
(Now sing it to me...)

Now my life is sweet like cinnamon
Like a fucking dream I'm living in
Baby, love me cause I'm playing on the radio
(How do you like me now?)

Pick me up and take me like a vitamin
'Cause my body's sweet like sugar in the morning yeah
Baby, love me cause I'm playing on the radio
(How do you like me now?)

My reckon dreams came true somehow
I swore I chase sometime I was there
I heard the streets were paved with gold
That's what my father said...

No one even knows what life was like
Now I'm in LA and it's paradise
I finally found you
(Now sing it to me...)

Now my life is sweet like cinnamon
Like a fucking dream I'm living in
Baby, love me cause I'm playing on the radio
(How do you like me now?)

Pick me up and take me like a vitamin
'Cause my body's sweet like sugar in the morning yeah
Baby, love me cause I'm playing on the radio
(How do you like me now?)

On the radio, on the radio
Sweet like cinnamon
Like a fucking dream I'm living in
Baby love me cause I'm playing on the radio
(How do you like me now?)
On the radio, on the radio
Sweet like cinnamon
Like a fucking dream I'm living in
I've finally found you
Now sing it to me...

Now my life is sweet like cinnamon
Like a fucking dream I'm living in
Baby, love me cause I'm playing on the radio
(How do you like me now?)

Pick me up and take me like a vitamin
'Cause my body's sweet like sugar in the morning yeah
Baby, love me cause I'm playing on the radio
(How do you like me now?)

(Now sing it to me...)

Now my life is sweet like cinnamon
Like a fucking dream I'm living in
Baby, love me cause I'm playing on the radio
(How do you like me now?)

Pick me up and take me like a vitamin
'Cause my body's sweet like sugar in the morning yeah
Baby, love me cause I'm playing on the radio
(How do you like me now?)
