Wounded Hearts Forever

Young Dreams

Go my brother
Beyond the sky's rain
Walk straight to me
Two steps to you
Now you're leaving
Where I dreamt you
Like a stranger
It's a mystery to be
I try to tolerate
I've tried to meet you
I try to tolerate
I've tried to meet you
Empty stays step is now
The same as me to
Empty step is now
My being is with you
Uuuuuuuhuuuuuu
Solved scars today
All are just a game
All you puzzle would never
Put up all the pains
Still exists a track my friend
And you'll bear that in mind
Than we would have a better plan
Just day by day, I miss the day
I try to tolerate
I've tried to meet you
I try to tolerate
I've tried to meet you
Empty step is now
The same as me to
Lonely stays he now
My being is with you
Go my brother
Beyond the sky's rain
Walk straight to me
Two steps to you
Now you're leaving
When I dreamt you

Like a stranger
It's a mystery to be
I try to tolerate
I've tried to meet you
I try to tolerate
I've tried to meet you
Empty step is now
The same as me to
Lonely stays he now
My being is with you
I try to tolerate
I've tried to meet you
I try to tolerate
I've tried to meet you
Empty step is now
The same as me to
Lonely stays he now
My being is with you.
