

Veida

The Tontons

Veida-The Tontons
we don't love each other
no, none of us enough
it would be much better
oh, if we had just a touch
of empathy empathy
but you know and i know, that isn't me
so, don't you make me as you are
living in a house of cards
that's living for the breeze, that's living dangerously
oh, i know that you know when i say it
i mean, don't get so close to me
don't get so close to me
i just wanna feel, i just want to feel love
i wanna, i wanna, i wanna feel something
can't be tied together for an infinity
a moment, a second, an instance
that's what you get from me
cause i know that you know, i know that you know
That's just not me.
oh that's never me
so don't you make me as you are
living in a house of cards
that's shifting in the breeze
that's shifting blamelessly
when i know that you know that i know
when I say it i mean don't get so close to me
don't get so close to me
i just wanna feel, i just want to feel something
i wanna, i wanna, i wanna feel something
we're not water
we're not blood
no, we're none of the above
just a second
in our youth
but you know that its not love
i want to, i want to, i want to
i need to, i need to, i need to
i've gotta i've gotta i've gotta

feel something

oh something
