Zombies Ate My Neighbors

Grasp Logic

So call the neighbor kids,
the trash can lids,
with buckets on their heads,
cause i'm telling you,
we're gonna need a little help tonightso hey man, check this out,
downtown is a riot,
somethings spreading through the crowd,
try channel 9,
i'm pretty sure they're heading
straight for this part of town,
i can't be certain,
but i swear i hear them just outside,
there's no way that this is real,
so count me inso grab something sharp,
find some cover,
kill the lights,
nail the back door shut,
this isn't funny anymore,
oh, no, this means warDon't take this the wrong way,
but i'd much rather choke and die,
than sit alone and fall with out a fightso call the neighbor kids,
the trash can lids,
with buckets on their heads,
cause i'm telling you,
we're gonna need a little help tonight,
so call the neighbor kids,
the trash can lids,
with buckets on their heads,
cause i'm telling you,
we're gonna need a little help tonightand there she was,
glaring,
with olive eyes,
and chalk white skin,
i want you to know,
that i won't be holding back tonight,
she stole my heart,
i'll be taking hers with a long dart now,
but look at the bright side,
it's not like she had one there to start,something tells me,

it's gonna be a long night,so grab something sharp,
find some cover,
kill the lights,
nail the back door shut,
this isn't funny anymore,
oh, no, this means war,
and something tells me,
it's gonna be a long nightso call the neighbor kids,
the trash can lids,
with buckets on their heads,
cause i'm telling you,
we're gonna need a little help tonight,
so call the neighbor kids,
the trash can lids,
with buckets on their heads,
cause i'm telling you,
we're gonna need a little help tonightso call the neighbor kids,
the trash can lids,
with buckets on their heads,
cause i'm telling you,
we're gonna need a little help tonight,
so call the neighbor kids,
the trash can lids,
with buckets on their heads,
cause i'm telling you,
we're gonna need a little help tonight
