

# A Teardrop from Below

[inc.](#)

This snake needs a head  
This snake needs a tail  
[This snake needs to feel ]x 2[These tears won't dry themselves ]x 3[A teardrop from below  
And you don't want me to see  
A hole in the sky  
All over me ]x 2[This heart needs a home ] x 3The water is where we go  
To be the water hole  
[Rivers overflow]x 2[These tears don't cry themselves ]x 3[A teardrop from below  
And you don't want me to see  
A hole in the sky  
All over me ]x 2
