

# Between The Bars (Live Set)

## The Civil Wars

Drink up baby  
Stay up all night  
The things you could do  
You won't but you might  
The potential you'll be  
That you'll never see  
The promises you'll only make  
Drink up with me now  
And forget all about the pressure of days  
Do what I say and I'll make you okay  
And drive them away  
The images stuck in your head  
People you've been before  
That you don't want around anymore  
They push, shove and won't bend to your will  
I'll keep them still  
Drink up baby  
Look at the stars  
I'll kiss you again between the bars  
Where I'm seeing you there  
With your hands in the air  
Waiting to finally be caught  
Drink up one more time  
And I'll make you mine  
Keep you apart, deep in my heart  
Separate from the rest  
Where I like you the best  
And keeping the things you forgot  
People you've been before  
That you don't want around anymore  
That push and shove and won't bend to your will  
I'll keep them still
