

# Rising Up

## Polock

Try to stay in this site  
You don't know what is to come  
something stars to hold you  
and show you alone You should try a test smile  
this something beautiful  
seeking x your close eyes  
you get what you desire You'll never know me x2  
Another country  
Do you wanna let go?  
Leave things somewhere you know  
You'll reach out for me  
You'll reach out for me  
Misunderstanding  
Rising up the corner  
Everything is over now Run away from this main hall  
Teach me something unknown  
...  
You'll never love me  
You'll never love me
