

# Blood and Fire

## With Blood Comes Cleansing

The sun will blacken and the moon become as blood

    The stars will fall from space

    People will flee to the mountains

To hide their bodies from His faceThe sun will blacken and the moon become as blood

    The stars will fall from spaceThe day of His wrath will come on wicked men

    The day of His wrath will come, who shall stand?

    The day of His wrath will come on wicked men

The day of His wrath will come, who shall stand?Blood and fire shall burn the earth

    Blood and fire shall burn the earthWoe to those who inhabit the earth

    In His wrath they won't stand

    Woe to those who inhabit the earth

In His wrath they won't standThe day of His wrath will come on wicked men

    The day of His wrath will come, who shall stand?

    The day of His wrath will come on wicked men

The day of His wrath will come, who shall stand?Soon the mountain will be burning with fire

    Soon the water will turn bitter

    Soon the mountain will be burning with fire

Soon the water will turn bitterThe day of His wrath will come on wicked men

    The day of His wrath will come, who shall stand?

    The day of His wrath will come on wicked men

The day of His wrath will come, who shall stand?Blood and fire shall burn the earth

    Blood and fire shall burn the earth
